## ABOUT LCPS

At the Lahore College of Pharmaceutical Sciences, we don't just teach—we transform. Our commitment is to provide a world-class educational experience that empowers students to lead with confidence, integrity, and expertise. By blending academic rigor with hands-on clinical and technical training, we prepare our graduates to excel in the global marketplace. We offer a diverse portfolio of premier programs including Pharm-D, DPT, Specialized Medical Diploma Courses, Computer Science, Software Engineering & IT

# IN LOVING MEMORY OF FOUNDER OF LCPS

## FOUNDER LCPS

**Prof. Dr. Naim A Muzaffar (Late)**  
**1935-2015**

بابائے فارمیسی

**B. Pharm** (King Edward Medical College Lahore - 1957)

**M. Pharm** (University of Philippines - 1963)

**Ph.D** (University of Mississippi - 1973)

Out of his 37 years of teaching pharmacy, the last 15 years involved around a constant dream of having a private institute of Pharmacy Education. The dream was based on the tragedy of thousands of young college graduates being deprived of professional education regardless of their high marks.

Thanks Almighty Allah that the dream came true with the foundation of LCPS in 1997.

**Dr. Naim was awarded, by Federation of Asian Pharmaceutical Association (FAPA) in 1988** which was given at **10th FAPA congress in Bali, Indonesia** for his outstanding contributions to pharmacy and pharmaceutical education. Dr. Naim had been legendary part of **College of Pharmacy, University of the Punjab** for 45 years.

**Dr. Naim also had been member of different Government bodies, Universities and different societies;**

- |   |  |
|---|--|
| 1 - National Formulary Committee  | 13- Member, disciplinary committee, Punjab University, Lahore 1988                       |
| 2 - Pakistan Pharmacopoeia Committee  | 14- Member, unfair means committee, Punjab University, Lahore 1978                       |
| 3 - Member of Drug Registration and Licensing Board   | 15- Vice-president, Academic Staff Association, Punjab University Lahore 1979-81         |
| 4 - Drug Advisory Committee   | 16- Member, Punjab University Senate 1980-82   |
| 5 - Provincial Quality Control Board  | 17- Technical expert for selection board of B.Z.U, Multan and Gomal University, DI Khan. |
| 6 - National Council for Tibb   | 18- President, Academic staff Association, Punjab University, Lahore 1981-82             |
| 7 - Member of Study Group on Pharmacy Education   | 19- General Secretary, Punjab University Pharmaceutical Society 1963-65                  |

| 9 - Member of Board of Studies of University of Sindh, BZU, Multan and Islamia University Bahawalpur. | 21- Member Editorial Board Journal of Pharmacy, Punjab University, Lahore 1981-1989      |
| 10- Member, board of studies Department of Pharmacy, Gomal University D.I.Khan 1984                   |  |
| 11- Member board of studies Department of Pharmacy, Balouchistan University, Quetta 1982-84, 88       |  |
| 12- Member board of studies, Faculty of Pharmacy, Punjab University, Lahore 1984                      |  |

## Director's Vision

Pharmacy is one of the most trusted and noble profession and remains one of the most fascinating fields in the sciences. During the last few years due to phenomenal growth and advancement of science and technology, including Pharmacology, concept of pharmacy has drastically changed in recent times and today pharmacist is closely involved as one the most important member, working hard in glove in majority of the health delivery system along with pharmaceutical industry.

**Dr. Muhammad Ali Naim**  
Director, LCPS

Our Institute during the years of its existence since 1997, by Dr. Naim Anwar Muzaffar (Late), has always been one of the leading institutes in pharmacy field. His guiding philosophy about the institute, throughout, has been creation of knowledge, influencing a Pharmaceutical field that integrates nationally. The objectives of imparting education, combined with creation, dissemination and application of knowledge, are being met in an integrated form, to create a synergistic impact.

I am immensely glad to announce that i myself is the graduate of this college as well and our institution is the right destination for the students who desire to build their career in Pharmaceutical industry. The college believes in overall development of the students to meet the corporate need as well as help them to serve the nation in their field of choice. The Institute has a long-standing history providing leadership in interpreting and disseminating research results to policymakers and the public.

**Dr. Muhammad Ali Naim**  
*Director*

**Dr. Abid Hussain Awan****Principal**

B.Sc Bontology, Zoology and Chemistry(PU), B.Pharmacy (PU), M.Pharm (PU), M.Phil Pharmaceutical Chemistry (PU).

He has 32 years of experience in different fields of Pharmacy Practice, He worked as Q.C Manager in National Pharmaceutical Industry for 5 years, He has worked as Production Manager in Pharmaceutical Industry for 5 Years, And as a clinical Pharmacist in Kingdom Saudi Arabia for 10 years. Dr. Daulat Haleem is an Assistant Professor in the Department of Pharmaceutics. He has gained experience in various well-known Pharmaceutical Organizations in Pakistan and has participated in different seminars and research-oriented lectures. He has authored 10 national and international publications with an impact factor exceeding 14. His areas of interest include nanotechnology, product development, and pharmaceutical technology.

**Dr. Umar Khayyam**  
**HOD DPT Department**  
**B.Sc. (Psychology), DPT (Superior University), MS Neuro-PT**

Dr. Umar Khayyam is working as a lecturer in the Department of Physical Therapy. His areas of interest include Physiology, Medicine Manual therapy and Research, pain management, Neuro-orthopedic, Emergency and sports injuries. He is also certified in Acupuncture and alternative medicine. He is very active in conducting seminars and workshops at LCPS, LIHS. He is a registered member of the Pakistan Physical Therapy Association and Rehabilitation Association.

**Muhammad Zubair Fuzail**  
**HOD Computer Science Department**  
**Ph.D(Scholar), M.Phil Information Technology (LEADS)**

The Department of Computer Science at Lahore College of Pharmaceutical Sciences offers BS programs in Computer Science, Software Engineering, and Information Technology aligned with modern industry needs. We provide strong theoretical foundations along with practical learning in well-equipped computer labs. Our focus is on developing analytical thinking, programming skills, innovation, and problem-solving abilities.

23 MARCH 2024 LAHORE COLLEGE OF PHARMACEUTICAL SCIENCES

## Anti-Drug Awareness Session by ANF Punjab

LCPS students participated in a vital Anti-Drug Awareness Session led by the **Anti Narcotics Force (ANF)**, Regional Directorate Punjab. Designed to combat the threat of drug abuse and trafficking in educational settings, the seminar provided students with crucial insights into the severe physical, psychological, and legal repercussions of drug involvement.

During the event, ANF officials empowered attendees to become proactive **ambassadors**, encouraging them to take an active role in maintaining a **drug-free campus**. This collaborative initiative underscores LCPS's unwavering commitment to fostering a safe, healthy, and highly responsible academic community.

MARCH 2024 LAHORE COLLEGE OF PHARMACEUTICAL SCIENCES

## Intro

The Lahore College of Pharmaceutical Sciences (LCPS) organized a **Drug Sampling** Seminar to enhance students' understanding of pharmaceutical marketing and ethical drug promotion.

Industry experts discussed the role of medical representatives, ethical drug sampling practices, current marketing trends, and real-world case studies to bridge the gap between academic learning and professional practice.

The Chief Guest emphasized the importance of ethical drug sampling in educating healthcare professionals and ensuring patient safety. The event concluded with certificate distribution and a vote of thanks to the speakers and organizers.

## Hands on training on sampling/seizure of drugs

### Working of DQCB/PQCB

Speaking on the occasion, Chief Guest stated;

*"This seminar is a vital step in preparing our pharmacy students for the realities of the pharmaceutical profession. Drug sampling, when conducted ethically, plays a key role in educating healthcare professionals and ensuring patient safety."*

MAY 2024 LAHORE COLLEGE OF PHARMACEUTICAL SCIENCES

# ***LCPS and Punjab Highway Patrol Partner for Campus Licensing Camp***

Punjab Highway Patrol Camp was held on 17<sup>th</sup> May 2024 in Collaboration with LCPS

In a proactive move to promote civil responsibility, the Lahore College of Pharmaceutical Sciences (LCPS), in collaboration with the **Punjab Highway Patrol (PHP)**, hosted a highly successful **Learner's License & Road Safety Camp** on campus. The initiative provided students with an accessible platform to understand the vital importance of traffic laws and road safety.

PHP officials conducted informative sessions on **driving regulations** and **licensing requirements**, guiding students through the application process. This facilitative camp was met with great enthusiasm, as students appreciated the convenience of obtaining their learner's permits directly within their academic environment.

## A Legacy of Excellence-LCPS Convocation 2024

On the 6th of July, the Lahore College of Pharmaceutical Sciences (LCPS) held its grand Convocation ceremony, a momentous occasion celebrating the academic triumphs of our Pharm-D and graduating classes. The event commenced with a **dignified academic procession**, followed by the National Anthem and a soulful recitation from the Holy Quran.

The highlight of the day was the formal conferral of degrees by our esteemed faculty and administration. We were proud to honor our high achievers with gold medals, certificates of distinction, and shields for their exceptional academic and co-curricular contributions.

Guest speakers from the pharmaceutical industry inspired the graduates, urging them to lead with integrity in Pakistan's healthcare sector. As the ceremony concluded, the LCPS management reaffirmed its **unwavering commitment to nurturing the next generation** of ethical and highly skilled pharmacy professionals.

## DPT "NEEDLING WORKSHOP"

**THE DEPARTMENT OF PHYSICAL THERAPY (DPT)** at Lahore College of Pharmaceutical Sciences (LCPS) In its continued effort to bridge the gap between classroom theory and clinical practice, the Lahore College of Pharmaceutical Sciences (LCPS) successfully conducted an intensive Hands-on Dry Needling Workshop. This specialized training provided our DPT and healthcare students with advanced technical skills in musculoskeletal therapy and modern pain management.

### **Hands-On Practice**

Participants had the opportunity to:

- Practice dry needling techniques on training dummies and live models
- Learn sterile procedures and proper needle insertion methods
- Engage in real-time demonstrations and interactive Q&A sessions

## **A Legacy of Freedom: LCPS Celebrates Pakistan's 77th Independence Day**

The Lahore College of Pharmaceutical Sciences (LCPS) marked Pakistan's 77th Independence Day with a profound display of **patriotism and national pride**. The campus was transformed into a sea of green and white, reflecting the spirit of the nation. The festivities commenced with a

dignified flag-hoisting ceremony, followed by a resonant rendition of the National Anthem that united students and faculty alike.

*Students and faculty paid tribute to the founding leaders, particularly Muhammad Ali Jinnah and Allama Iqbal, through heartfelt speeches and reflections.*

The program included:

- National songs sung by students
- A special tableau and drama depicting the struggles of 1947
- Poetry recitation and short speeches themed around "Freedom with Responsibility"
- Quiz competition and mini-debate on "Youth's Role in Nation Building"

## **A GRAND WELCOME: EMBRACING THE CLASS OF 2024**

# **WELCOME PARTY** FOR FRESHERS

The Lahore College of Pharmaceutical Sciences (LCPS) officially opened its doors and its heart to the next generation of healthcare leaders at the **Welcome Party 2024**. This vibrant celebration served as a formal induction for our first-year Pharm-D, DPT, and allied program students, marking the beginning of a transformative academic journey within the LCPS family.

Expertly curated by senior students and mentored by our faculty, the evening was a masterclass in school spirit, filled with high-energy music and engaging performances. Beyond the festivities, the event was designed to foster an immediate sense of belonging, easing the transition into campus life and building the foundational bonds that define our inclusive community.

# Shafqat Naim Foundation

The Shafqat Naeem Foundation of Lahore College of Pharmaceutical Sciences (LCPS) actively participated in a Flood Relief Camp in 2024 to support communities affected by devastating floods. The team organized the collection and distribution of essential supplies, including medicines, food items, clean water, and clothing. Volunteers, including students and faculty members, provided basic medical assistance and health awareness to the affected families. This humanitarian initiative reflected LCPS's strong commitment to social responsibility, compassion, and community service.

## RELIEF SUPPORT

- Medicines
- Clean Water
- Clothing
- Free Medical Camp
- Food Items
- Essential Supplies
- Counselling
- Sanitary Hygiene

The Shafqat Naeem Foundation (SNF) of Lahore College of Pharmaceutical Sciences is a student-led welfare organization founded by Shafqat Naeem. It promotes social responsibility and community service through relief camps, medical drives, and support for underprivileged and disaster-affected communities.

# SPORTS WEEK

## Athleticism and Excellence: LCPS Sports Gala 2024

The Lahore College of Pharmaceutical Sciences (LCPS) recently exploded with energy during the **highly anticipated Sports Gala 2024**. More than just a series of competitions, the gala was a vibrant celebration of athletic talent, resilient teamwork, and unbreakable school spirit. Students, faculty, and staff united for a thrilling lineup of events that underscored the vital role of physical fitness in a balanced academic life. The atmosphere was electric as competitors vied for top honors, culminating in a prestigious awards ceremony. Medals, trophies, and certificates were presented to our standout performers, with special accolades reserved for the Best Athlete and the Winning House.

*Batch 19-24*

# A NIGHT TO REMEMBER: LCPS BIDS FAREWELL TO THE CLASS OF 2024

With a perfect blend of joy and nostalgia, the Lahore College of Pharmaceutical Sciences (LCPS) hosted a **spectacular Farewell Party 2024** to bid a fond goodbye to our graduating class. The evening served as a vibrant celebration of the hard work, resilience, and achievements of our final-year Pharm-D, DPT, and allied program students, beautifully marking the culmination of their academic journey.

Meticulously organized by enthusiastic junior students under the guidance of our dedicated faculty, the event was alive with music, engaging entertainment, and heartfelt tributes. It was a fitting way to honor the contributions of our outgoing seniors, creating lifelong memories as we wish them tremendous success in their future professional endeavors.

# Our Alumni, Our Pride

# Editorial Note

It is with great pride that we bring you this edition of the LCPS Newsletter, a reflection of the dynamism, innovation, and academic excellence that define our college.

In every corner of LCPS, students and faculty continue to push boundaries—whether in research, academics, community service, or extracurricular pursuits. Their dedication not only elevates the college's reputation but also inspires a culture of curiosity, creativity, and collaboration.

This newsletter serves as a window into our collective achievements and a reminder of the vibrant spirit that drives our community forward. We hope it motivates every member of LCPS to strive for excellence and contribute meaningfully to society.

## Location

The Lahore College of Pharmaceutical Sciences is situated at Lahore Raiwind Road at about 18km. The site is away from the hassles of the city environment and is placed amid the agricultural vicinity around Lahore. The road to the college is a two way beautifully carpeted one, and the college of pharmacy is situated along the main road.

Private vans and buses are frequent on this route, We Also provide our own Transportation to students for expense details please refer to Institution Fee Structure

Students will be provided subsidized college transport from city point to the college campus.
